Enhancing Your Career in Project Management Through Certification

Project Management is crucial to an organisation in achieving strategic objectives. It is recognised that successfully managed projects will increase productivity, bring return of investments (ROI), increase profits and improve customer services.

MSC Malaysia MyProCert programme is a specially designed programme to accelerate the up skilling of Malaysian professionals in efforts to support the national economic transformation into a knowledge driven, high value economy. The Programme provides a reimbursement of up to RM3,000 for project managers in MSC Malaysia companies who wish to acquire professional certification in project management.

If you're looking to improve the capabilities of your project managers with project management best strategies, techniques and processes, you SHOULD attend this Forum.
