

MSC Malaysia ICT- E initiatives Business Workshop

MDeC and MSC Cyberport is pleased to invite you to attend our **half-day** seminar on:

Malaysian Digital Enterprise Exchange (MDEX)

MDEX, or Malaysia Digital Enterprise Exchange, is a B2B (Business-2-Business) platform allowing companies to optimize their daily business processes.

With MDEX and the high potential of internet, business activities are optimized leading to improved productivity and efficiency.

MDEX is embedded with E-Request For Quotation, E-Purchase Order, E-Delivery Order, E-Invoice and E-Payment capabilities and functionalities.

MDEX currently working closely with government agencies and industry associations e.g SME Corp, SME Bank, PIKOM, Chambers of Commerce.

Making IT Work For Your Business

Don't buy IT for the sake of IT.
IT should work for you... make that your IT investments contribute to your business objectives!

MSC Cloud Computing Enablement Initiatives

In encouraging Malaysian SMEs to adopt Cloud Computing as a cost efficient way to operate, Multimedia Development Corporation is proud to announce the MSC Malaysia Cloud Computing Enablement Initiative - SME Cloud Computing Adoption Programme.

What is SME Cloud Computing Adoption Programme?

SME Cloud Computing Adoption Programme is a programme by MSC Malaysia to accelerate the adoption and extend the full benefits of Cloud Computing to elevate the competitiveness and efficiencies of SMEs.

Who should attend?

CEOs, CFOs, Business Development Personnel, Individuals, Entrepreneurs, SMEs, Suppliers and Business and Individual Buyers.
